

# QuickBooks Point of Sale Merchant Service

Accept credit and debit cards with your Intuit QuickBooks Point of Sale software.

## Process & record transactions in one step

- ✓ **Easy-to-use, quick to learn** – payment is processed through QuickBooks Point of Sale screens that you and your employees already use.
- ✓ **Help save time and reduce data entry errors** – by only entering transactions once. Authorize, process and record sales in just ONE STEP – right in your QuickBooks Point of Sale software.
- ✓ **Get paid fast.** Approved funds are deposited into your bank account in about 2-3 business days.<sup>3</sup>
- ✓ **Boost your sales with QuickBooks Point of Sale Gift Cards.** QuickBooks Point of Sale Gift Cards work like traditional gift certificates, only better. Bring new and repeat customers into your store as they buy and redeem gift cards.<sup>4</sup>

QuickBooks Point of Sale makes accepting credit cards easy and affordable. Swipe your customers' credit and debit cards and you'll qualify for a low card-swiped rate.<sup>1</sup>

Apply for a Merchant Account &  
**Get Up to \$200**  
when approved!<sup>2</sup>

I looked at a competitor's product but it didn't have integrated credit card processing, and I didn't want a separate machine for running charges. With Intuit's product, all the processing is in one place.

Getting started is as easy as 1-2-3!

1. To apply, please call your Retail Solution Provider. See contact information below.
2. Once approved, enter merchant ID into your QuickBooks Point of Sale software.
3. You're ready to take payment!

For more information contact:

<sup>1</sup> Requires Intuit QuickBooks Point of Sale Software (sold separately) and a merchant account through Intuit QuickBooks Point of Sale Merchant Service, provided by Innovative Merchant Solutions, LLC, an Intuit Company. Application approval required. Fees apply. Optional card reader required for lowest discount rate available. Card reader and receipt printer are sold separately or available with QuickBooks Point of Sale Bundle. PIN pad to accept PIN debit transactions sold separately. Internet access required. Terms, conditions, pricing, features, service and support options subject to change at any time without notice.

<sup>2</sup> Offer valid only for customers who purchase qualifying Intuit products (see below) AND apply for an Intuit QuickBooks Point of Sale Merchant Service account from 9/29/2008 to 10/31/2009. Merchant Service application is subject to approval; approval is required in order to be eligible for this offer. Product registration is required; offer valid within 90 days of registration; registration not to exceed 1/31/2010. This offer cannot be combined with any other merchant service offer. Proof of purchase required (product registration, license or Intuit order number). Money will be issued in the form of an ACH into merchant's bank account on file; allow approximately 6-8 weeks for ACH delivery. You must call and apply for a merchant service account no later than 10/31/2009. Web applications do not qualify. Offer terms and conditions are subject to change without notice.

When you are approved for an Intuit QuickBooks Point of Sale Merchant Service account AND buy a qualifying Intuit product (new purchases or upgrades): Receive \$100 if you purchase Point of Sale Basic software only. Receive \$200 if you purchase Point of Sale Pro Software, Point of Sale Multi-Store Software or any Point of Sale hardware/software bundle.

<sup>3</sup> Funds generally are deposited into your account within 2-3 business days depending on your financial institution and your Demand Deposit Account. Clearance time for funds may vary depending on your Demand Deposit Account.

<sup>4</sup> Requires Intuit QuickBooks Point of Sale software version 5.0 or higher, and a Gift Card Service account through QuickBooks Point of Sale Gift Card Service, provided by Innovative Merchant Solutions, LLC, an Intuit Company. Application approval required. Fees apply. Requires QuickBooks POS Gift Card Service gift cards (sold separately), internet connection or modem and phone line. Service is optional.

<sup>5</sup> Card reader and receipt printer recommended, sold separately or available with QuickBooks Point of Sale peripheral bundle or QuickBooks Cash Register Plus peripheral bundle. PIN Pad required to take Pin Debit transactions, sold separately.

<sup>6</sup> Support is subject to occasional downtime due to systems and server maintenance and events beyond our control.
