

"BREAKING EVERY RULE TO TAKE CARE OF OUR CUSTOMERS"

History of Big Hairy Dog Information Systems (BHD)

- Leading Distributor and Service Provider for QuickBooks Point of Sale in the specialty retail industry
- Dedicated to the success of the independent retailer for 19 years
- Provides superior training, technical support & customer service

intuit.

QuickBooks

Point of Sale

BHD Training & Tech Support

- ALL Techs/Trainers are certified in QuickBooks POS. and can assist with the QuickBooks Accounting Integration
- When you call Tech Support, you will reach a tech in the U.S. – not overseas
- Every call will be answered by a live person, not voice mail*
- All BHD Techs/Trainers have experience in retail operations
- BHD employees have accumulated a remarkable 277 Years of experience supporting Inventory Management and Point of Sale software.

*During normal business hours

Hear from our QBPOS Customers

With QBPOS, tracking the history of our inventory is easy and accurate and even gives us the data we need to make better purchasing decisions. The scan tags are easy to use and never fail us."

Toni, Holiday Boutique
Fresno, CA

"I met Big Hairy Dog at a gift show and their service offering was exactly the solution I was looking for. Big Hairy Dog did all the work for me! They selected the hardware, software and training to get me up and running.

I have now completed training and my POS / Inventory Management System is working perfectly! The overall experience working with BHD has been one of professionalism and integrity. They understand their customer's needs and are committed to meet them."
