Why choose QuickBooks Assisted Payroll?

Guaranteed Accurate	Payroll taxes and forms are handled for you, guaranteed accurate and on time.
More Control	Instantly create paychecks yourself in QuickBooks or reissue a check anytime. No need to phone or fax in hours.
Free and easy job costing	Financial and payroll data is all in one place. You can do free job costing (i.e. for billable hours) at any time.
Seamless integration with QuickBooks	Assist Payroll works right within QuickBooks so you don't have to re-enter your payroll data. "Importing" data is unnecessary.
Lower cost	Save an average \$75 per month by choosing Assisted Payroll vs. ADP

**20% off your monthly base fee for the first year.

**20% off annual subscription for the first year

**Intuit Online Payroll: First month free, and months 2 and 3 @ \$9.99

Based on Our "No Penalties" guarantee means your payroll taxes and filings are guaranteed accurate and on time, provided that the data you provide is accurate, on time and your account is sufficiently funded.

Available Monday through Friday, 6 AM to 6 PM Pacific Time Zone.

Additional fees may apply. If you receive a notice about a discrepancy during a time period when you were on our service, our tax specialists will research the case and work directly with the agency to provide proof of payment or filing on your behalf. If you receive notification of a tax error or penalty from a filing prior to when you were on our service, our prior provider will be responsible for correcting the problem. For more information on our issue resolution services, please visit www.payroll.com/tax.

The job costing feature is not available in QuickBooks Simple Start.

Estimate based on 8/10 ten-state comparison of Intuit QuickBooks Assisted Payroll Service vs. ADP Compliance Services Package for 5-10 employee business running payroll bi-weekly (excludes fees for setup, direct deposit or W-2's). With Intuit QuickBooks Payroll Assisted Service, you can create paychecks yourself within QuickBooks and Intuit handles tax forms and filings for you, whereas with ADP, the entire payroll processing, creating paychecks and tax forms and filings are handled by ADP. Prices may vary by state and number of employees.
