

## QB POS Activating Credit Cards May, 2015 QB POS

We will look at how to activate Credit Cards in QB POS. We will be using Intuit Merchant Services.

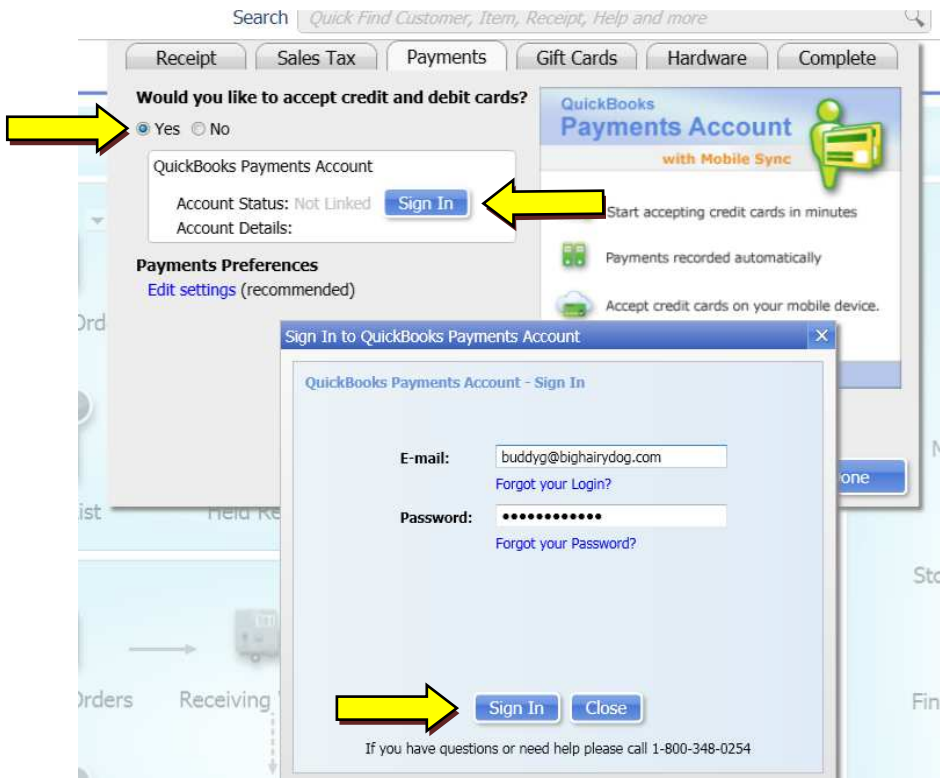

1. We will start by going to **Setup Interview**.

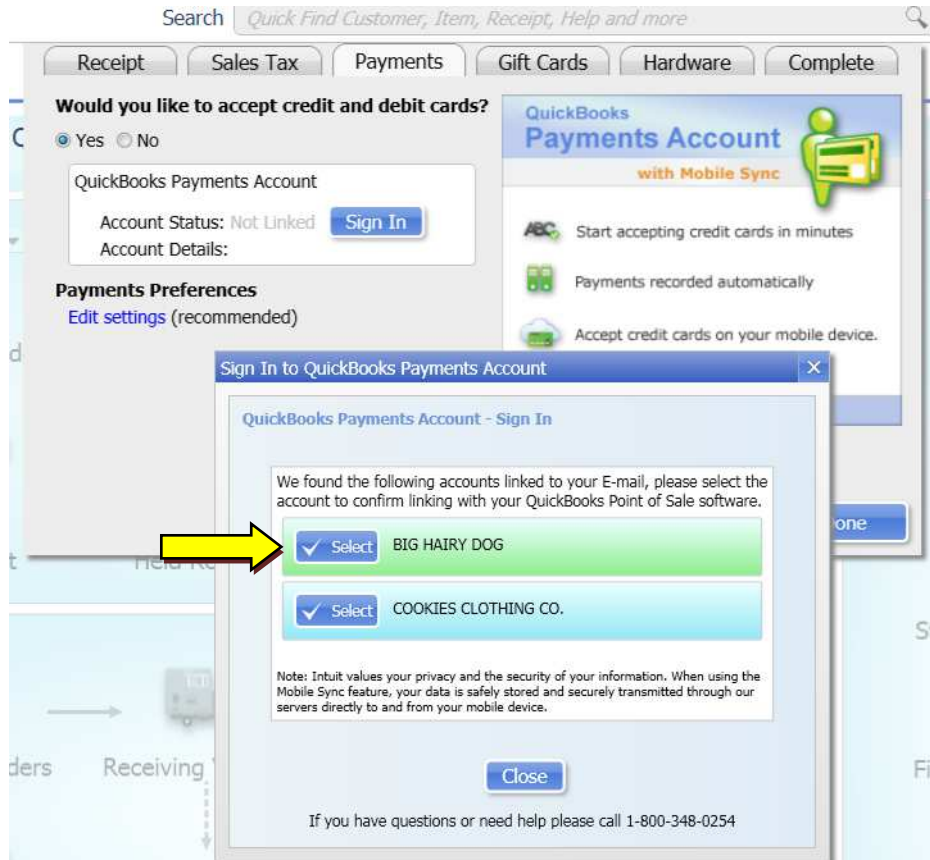

2. Next we will select the **Payments** tab.

3. Now we will Click on **Yes**, click **Sign In**, and then Enter your **Merchant Services E-Mail** and **Password**.

4. Now select your **Merchant Account** you wish to use with your Credit Cards.

5. You now have Active Credit Cards.
